MINISTER YOUNG RECEIVES UPDATE FROM DENOVO

This morning, the Minister of Energy and Energy Industries and Minister in the Office of the Prime Minister, the Honourable Stuart R. Young, M.P., met with Mr. Brian Ramsumair, Managing Director of DeNovo Energy Limited where he was provided with an update on the current production profile and progress being made on the exploratory and expansion projects being undertaken by the company. The meeting took place at the Ministry of Energy and Energy Industries Head Office at the International Waterfront Centre, Port of Spain.

In addition to discussing the progress of current projects, Mr. Ramsumair also informed Minister Young of projects scheduled for the future and remained optimistic about the potential of such projects. The Minister looks forward to promising results from future projects being pursued by the company and gave the Ministry's commitment to continue working with the company to secure future gas production.
