RIG 110 INCIDENT RESPONSE-THE MEEI REMAINS ON THE GROUND AND WORKING ALONGSIDE THE INCIDENT TEAMS

The Ministry of Energy and Energy Industries remains fully engaged in assisting both Well Services Petroleum Company Limited and Heritage Petroleum Company Limited by providing 24-hour support for the Rig 110 Incident Response.

International Expert, T&T Salvage has also arrived to assist with the assessment of the situation and to advise on the continuing operations.

T&T Salvage is a complete marine services company committed to the emergency response and preparedness needs of the international maritime and energy sectors.

The Ministry of Energy and Energy Industries continues to offer its professional support and it is expected that the Ministry's investigative team will be announced shortly.

The Honorable Stuart R. Young, S.C, M.P., Minister of Energy and Energy Industries and Minister in the Office of the Prime Minister continues to receive regular briefings and offers his continued prayers to the family and friends of Mr Pete Phillip at this difficult time. Minister Young has been communicating with persons from both Wells Services and Heritage on a regular basis in order to obtain updates and also to offer support.

The Ministry of Energy and Energy Industries will continue to stay engaged and to provide the relevant support.
